RE- FLECTING GOD

05/21/11 - God's Name Glorified In Us

RG AUDIO 052111

2 Thessalonians 1:3-12

Two Brazilian brothers were angry with each other. The younger constantly lied to his older brother. One day the older decided to teach the younger a lesson. He grabbed his brother by the neck and said, "You have stolen everything I had since Dad died. I am tired of your lies. I am going to kill you today."

The younger said, "Is this the way our father would solve the problem? I am wrong, but let us solve it our father's way."

The older brother said, "As my brother spoke, I saw my daddy's face on my brother's face. I put him down. I wanted to reflect my dad's values."

We were created to reflect God in who we are and what we do. The image of God was severely broken by Adam's sin and our own personal sin. Christ died on the cross for our sins.
