RE- FLECTING GOD

10/16/11 - The Answer to Jesus' Prayer

RG101611John 17:13-26

When we complain about the slowness of God to respond to our requests, we should remember that here is a prayer of Jesus that remains, all too often, unanswered.

Obedience to God's Word, through the indwelling power of the Holy Spirit, is the outward affirmation of God's inward work in our lives. Sadly, many who align themselves with Christianity aren't even sure what God's Word says and therefore remain unchanged by it. Jesus continues to plead for those for whom he died that they would live as he patterned and thus fulfill the glory for which they were born.

People who witnessed Jesus' miraculous deeds and words realized that no one could live as he did unless God was specially and uniquely present with him. As with Jesus, it is our glory when others see God in us.

Is Jesus' prayer being answered in your life?
