04/02/12 - Make A Decision!

RG AUDIO 0402121 Corinthians 2:6-16

Some people are better at making decisions than others. There are those who decide something and that is it. No second guessing. No changing their minds. There are others who decide and then question the wisdom of their decision. Still others simply cannot make a decision. What kind are you?

What is involved in making a decision? Whose wisdom do we rely on? Most people count on their own wisdom or the wisdom of the world. Scripture reminds us that worldly wisdom amounts to foolishness. Paul says the wisdom of this age counts for nothing. Making important life decisions based on our own or the world's wisdom will take us nowhere. There is only one wisdom that will guide us to the right life choices. There is only one Spirit who can help us live a godly and righteous life.

Do you have some big decisions to make? Have you trusted the world's wisdom, instead of the Spirit of God? Make the right decision today. Choose to allow the Spirit of Wisdom to lead you and direct your path.
