11/23/14 - A Very Special Invitation

RG AUDIO 112314

Revelation 19:11-21

An invitation is special. Even if we can't attend the event, it is nice to be invited. We get all kinds of invitations, and for the most part, we are honored that someone thought of us at an important time in their life. Being included is a beautiful thing.

The best invitation I have received to date is the invitation of our Lord when He said, "Come to me, all you who are weary and burdened, and I will give you rest" (Matt. 11:28). I accepted that invitation and it changed my life. I am still discovering?and will continue to discover?all the blessings that are wrapped up in it.

I have another special invitation pending: "Blessed are those who are invited to the wedding supper of the Lamb!" (Rev. 19:9). When the King of Kings comes to make all things new, those who believe in Him will be welcomed to that great supper. It will be last, and the best, of all the invitations I have received.

Many years ago I sent in my RSVP checked "Will attend!" Author: J.K. Warrick
