RE- FLECTING GOD

01/17/15 - Christ, Our Holy High Priest

RG AUDIO 011715

Hebrews 7:20-28

Lettie Cowman, wife of Charles Cowman, gave to the world the devotional treasures, *Streams in the Desert*, *Springs in the Valley*, and *Mountain Trailways*. She penned her experience of her deep soul need met in a holy encounter: "One morning, as I arose at four o'clock to pray and to do some searching (of the Word), just as I knelt, I felt an Unseen Presence so near me that I looked up to see who was there. I could not utter one word, but just felt hushed in that glorious Presence. A sweet rest filled my very being, and I knew that the Holy Spirit had come in to fill and abide with me forever. Nothing has ever been able to shake the experience of that hour alone with God."

Writing twenty-one years later, she concluded, "As I pen this testimony, the witness still is in my heart that 'the blood of Jesus cleanseth me from all sin.' His will is the sweetest thing on earth."*

Through grace our holy, high priest "meets our need" and keeps supplying us for the journey.
