**02/04/20 - Nothing But The Truth**

Habakkuk 2:1-5

We pray for God's blessings, for God's protection, for God's goodness. Rarely do we pray for His revelation. What a courageous prayer that is! For God is still doing new things?yes, even today?and these new things are for our good and His glory. How tragic to miss His glory by not seeking His revelation!

The wonder of the character of God is that He never runs out of truth. What truth do you need for your life today? Are you ready to ask Him to reveal His revelation to you? Are you willing to see the new thing He wants to do?

His specific truth for your life may be unknown for a while. Yet the truth is that He is love and light and grace and peace and hope and joy. Every good and perfect thing are present for you right now.

His truth may require obedience. His truth may require delay. His truth may require movement. Whatever His truth, we can rest assured that His revelation is eternal and perfect.
