Luke 17:1-10

Ssshhh! Listen. It's the voice of the Holy Spirit saying that you were made for a far more strategic role than just filling a church pew and helping meet the annual church budget. You may be called to do things you don't feel prepared to do, don't want to do, or feel incapable of doing, but He will enable you to do it.

The task God is calling you to will require more faith and courage than you have ever known. This call, however, has one final hurdle that by itself may seem bigger than all. This hurdle is forgiveness. On the other side is the abundant life God has for you. All that stands in the way is forgiveness.

We adults can carry around a ton of emotional luggage. Some is due to our own misguided choices, some were choices inflicted on us. Jesus knows we'll be wronged. You were created for more! Let God's vision of you unfold and begin with forgiving that one who has wronged you.
