James 2:14-19

Spiritual maturity is primarily revealed through our thoughts, our words, and our actions. The Bible says that faith without works is dead. Therefore, a spiritually mature person should daily demonstrate his faith by actions consistent with his faith.

Noah demonstrated his faith by his obedience to the command of God to build an ark even before there was any evidence of rain. He could have said he believed, but he proved his belief by his action. Abraham's faith was verified in that he set off at God's command not knowing where he was going. As Peter stepped out of the boat and onto the water he validated his faith.

Jesus told us to let our light shine by our good works. Our love for God is to be more than words, it must be action too. Our faith is not only about knowledge, it is about action. It is more than educating our minds. It is about activating our hearts, our hands and feet.
