RE- FLECTING GOD

09/27/10 - Huh?

RG270910

1 Chronicles 29:10-13

"I exalt You, Lord!" I remember the first time I sang these words as a child and realized I had no idea what they meant. I only used the term "Lord" when I didn't know whether to say "Jesus" or "God." I thought it was just a generic term for the Trinity. It wasn't until after college when I realized that the term "Lord" and the term "exalt" had little meaning in our culture. I realized I wasn't the only one who had no clue what I was talking about.

Most countries don't have any royalty we have to exalt. We don't really know what it means to call someone "Lord" and to give him honor and respect like you would have in the ancient world. Do a little research. Search online or find a children's book at your local library to learn how common people should show respect to their "Lord." You will be surprised at how much more the name "Lord" means.
