**06/17/19 - Seek His Word: Walk In The Light**

Psalm 19:1-19

Finding your way through a dark room is hard. Especially if the room has stuff in it. At first we might move confidently, but after a few stubbed toes we slow down. Depending on what is in the room, we might even seriously injure ourselves and be unable to move at all.

Trying to make your way through the world can be a lot like moving through a dark room. Often it is hard to know what is the right thing to do, and sometimes we find that we have hurt ourselves or others without meaning too. Without a guiding light, we are all in danger of stumbling.

Fortunately, God has put a light switch within our reach. The Psalmist tells us that, "The precepts of the Lord are right, giving joy to the heart. The commands of the Lord are radiant, giving light to the eyes" (Ps. 19:8). In Scripture, God tells us how to avoid the sharp corners of sin as we walk through life. If we take the time to prayerfully study Scripture, we will find that we can walk through life without fear that we will accidentally fall into sin.
