# RE- FLECTING GOD

## 07/14/10 - Heart Transplant

RG140710

The second highest peak in the Old Testament mountain range of prophecy is Ezekiel's promise of a new heart. This summit is only exceeded in height and grandeur by the foretelling of the coming Messiah. Here, God's amazing and desperately needed promise guarantees that our stony heart can be removed and replaced with a new one. This clear promise from God affirms that the blood of the promised Messiah will wash away committed sin and cleanse our sinful nature.

The verses surrounding this promise illuminate our heart with the promise of a Spirit-filled life and victory over the power of sin.

"Here is the salvation that is the birthright of every Christian believer: the complete destruction of all sin in the soul, and the complete renewal of the heart; no sin having any place within, and no unrighteousness having any place without".
