

Recipes and Relationships

Description

[RG230710](#)

Imagine trying to learn to cook a Spanish rice-and-beans dish. If you're like me, halfway through the cookbook directions, you are too afraid to serve your loved ones for fear of food poisoning. Now imagine walking and working with a master-chef. Voilà! Spanish-rice at your service.

Peter, like we often do, seemed to forget that his transformation came with walking and talking with Jesus. Karl Barth once wrote, "Jesus does not give recipes that show the way to God as other teachers of religion do. He is himself the Way." How often do we give people and ourselves a laundry-list of rules to live by? Rules that we ourselves do not and cannot keep. Why not trust and train under the Head Chef? Millions grow desperate of trying to attain through works what can be generated in them only through relationships.
