Titus 2:11-3:8

Do you ever tire of hearing bad news and have a deep longing for good news? Nearly every day we are updated on some global crisis, national emergency, or local catastrophe. Aging parents lose their vitality, friends decide to divorce, and teens make wrong decisions. If we think only of those things, we are overcome with a sense of hopelessness.

Titus 2:11 says, “For the grace of God has appeared that offers salvation to all people.” Not some people, not select people, not lucky people—but to all people. In the person of his only Son, Jesus Christ, God has come into our world to be with us. That is good news!

It means that when life is tough, God is with us! When people disappoint, God is with us! When times are hard, God is with us!
