

World Missions to All People

Description

Acts 2:14-24 [RG AUDIO 052412](#)

Recently I Googled, “all people,” and an interesting page caught my attention. It contained some fascinating demographics. If we could reduce the world’s population to a village of precisely 100 people here is how the world would look:

- 60 Asian, 14 Africans, 12 Europeans, 8 Latin Americans, and 5 United States citizens and Canadians.
- 51 percent male and 49 percent female
- there are 33 Christians and 67 non-Christians
- 67 would be unable to read
- 1 would have a college education and 99 would not.
- 50 would be malnourished and 1 dying of starvation*

The gospel message is that Christ has come to redeem everyone in the world community past, present, and future. His Holy Spirit has come to unite the world in harmony with the living God. Our task as Christians is to share Jesus and to proclaim holiness unto the Lord!
