RE- FLECTING GOD

06/27/12 - God Leads Us

RG AUDIO 0627121 Samuel 9:1-14

Desperate to find missing donkeys, Saul only discovered dead ends. They were ready to turn back home when his servant suggested a visit to the man of God, believing he would tell them which way to go.

After several years in full-time evangelism Nancy's husband was invited to teach at the seminary by Dr. Greathouse. He quickly sensed this was God's will. With fear he met with Dean Mendell Taylor, expressing his concern that he'd never taken any education classes because he never planned to teach. Yet he knew this was God's will. The dean asked him to choose one scripture out of a hundred promises. He read, "I will instruct thee and teach thee in the way which thou shalt go. I will guide thee with mine eye" (Ps. 32:8, KJV), and God was faithful to that promise.

There was much prayer and many late nights as the Spirit inspired him in teaching and training students how to win others to Christ. Then and now God will "instruct you and teach you in the way you should go."
