Job 26

Have you ever tried to describe God or explain who God is? Words fail us. Words aren't enough, are they? But that is all we've got, so go ahead, take some time and think about who God is, what he has done, what he stands for.

God is beyond our full comprehension and understanding. Yet, this all powerful God made an on-purpose decision to not only create human beings but also to redeem us, communicate with us, and fellowship with us. That should not be taken lightly.

So, while it is impossible to adequately explain God, it is possible to love him. God, the all-powerful, is worthy of our praise, our respect, and our obedience. He deserves our lives, our possessions. He deserves our everything.

Remarkably, this God who is so beyond our comprehension is accessible. Just whisper his name and he will be there.
