Psalm 57:1-11

Consider 2 Chronicles 20:21, “After consulting the people, Jehoshaphat appointed men to sing to the LORD and to praise him for the splendor of his holiness as they went out at the head of the army, saying: ‘Give thanks to God, for his love endures forever.’”

The army of Judah was on the march. Who was positioned at the front? Not the scouts, not the archers, not the infantry, but the “praisers” lead the way. God’s people ramped up the praise and placed the “praisers” out in front! A breakthrough was about to happen. God gave his people the victory, because they made praise their priority. Do you need a breakthrough? Do you need a victory?

Praise puts us in a place where we can experience a victorious breakthrough. If we want to see serious wins in the days ahead, we must ramp up the praise and put the “praisers” out in front. God always sends his love and proves he is faithful!

Instead of focusing on our unfortunate situation we should start praising God. Let’s ramp up our praise and put the “praisers” out in front!
