RE- FLECTING GOD

01/20/15 - Christ's Sacrifice, Received By Faith

RG AUDIO 012015

Romans 2:21-31

What does "received by faith" mean? A little girl desperately wanted a pony but her parents refused. Undeterred, she spent every day after school in her backyard building a corral for the yearned-for pony. What confidence and assurance! She had faith for what she hoped; evidence for what she did not see.

Faith is absolutely essential to please God. In healthcare, we're passionate about best demonstrated practices, spending resources, time and energies to improve processes that will better serve patients, their families, and staff. We strive for continuous improvement in patient, employee and physician satisfaction.

When behavior and belief are synchronized, when walk and talk are harmonized, rewards, like confident assurance, follow. "And without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him" (Hebrews 11:6). Confidently develop faith; earnestly seek God!
