2 Corinthians 5:1-10

Home is where the heart is. There is no place like home. The idea of home has so much wrapped up in it. It is where we live; where we find life. We find our home in Christ. Life is found in Christ.

We find life in God through Christ but we live on earth, our home is here. Although we do not find life in the things of this world, this is where we live. While we live here, we live by faith. We live for the life we can find in Christ. We seek to bring life to our world in all we do. Living by faith is bringing the life we have in Christ, to this world. Loving others where it would be easier to hate, reaching out in kindness when it would be easier to lash out in anger, and responding in graciousness and forgiveness where it would be easier to wish harm. This is living by faith, this is what it means to bring life to our world. This is what it means to continue to live in the Body, by faith and not by sight.
