RE- FLECTING GOD

04/26/19 - What Is Reconciliation?

RG AUDIO 042619

Romans 15:1-13

Forgiveness of sins. Restoration of relationship. A new and fresh start. All of these statements embody the message of reconciliation. We have been the recipients of reconciliation and now, we are the ones sent out with the message of the good news of Jesus Christ. We are ambassadors of this message of hope.

If there ever was a need for hope, it is now. This is what we and a lost, broken world needs: reconciliation with a Savior who also can bring about reconciliation in broken relationships.

How about you? Where is this needed in your life? What would reconciliation look like in your home? In your marriage? In your church? In your workplace? Some of these may seem impossible, but God specializes in working redemptively even in the impossible. Make this a matter of prayer. Pray for reconciliation in the relationships in your life. Pray that God would use you as an ambassador to others that need this same reconciliation.
