RE- FLECTING GOD

02/14/20 - Jehovah Jirah

RG AUDIO 021420

Matthew 6:25-34

Andrea was blessed to marry a godly, hard-working man that takes the role of provider seriously. He's an excellent example of a loving, earthly provider.

As a Christ-follower, you and I are blessed to be the child of a Creator who takes the role of provider seriously. He never stops watching over us, caring about us, and meeting our every need, all while giving each one of us His constant, undivided attention. He is the ultimate Provider.

Despite best intentions, earthly providers fail from time to time. Our Heavenly Father will never fail us. Such a simple truth can sometimes sound cliché, and therefore isn't always the comfort that it's truly meant to be. Don't let the enemy fool you, Jehovah-Jireh will always provide for us! It may not always be in the way we think it should be, but our omniscient God knows best.

The next time you catch yourself worrying, consider having a chat with your Provider. He owns cattle on a thousand hills, and He's always got His eye on you.
