# RE- FLECTING GOD

**11/30/21 - Master Plan**

RG AUDIO 113021

Genesis 3:8-16

From the beginning, God established enduring hope found only in Christ. God knew there would be evil and the subsequent fall of mankind. In God's sovereign provision, He is the Savior that provides hope for redemption from the penalty of sin.

As we look forward to celebrating the expectation of the coming Messiah, we are reminded that His coming is not only a historically corporate event, He is also a personal event in our everyday life. His presence in our lives is a continual relationship.

Even before your life was formed, God has had a plan to provide hope and a future for you. Jeremiah 29:11 says, "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

How amazing is it to know that God sees what we need before we need it! He loves us so much that He sacrificed His Son to be the bridge between us and peace by saving us from enmity and death. Jesus is God's master plan!
