**03/07/23 - Power in Weakness**

Mark 14:37-42

The Lord has given many great and precious promises that He is willing to fulfill in our lives through prayer. We are utterly weak apart from Christ and the manifested presence of the Holy Spirit. Our weakness humbles and prepares our hearts for the Spirit to quicken faith that will to answered prayer.

Christ's resurrection power over sin, death, Satan, and hell is available to every Spirit-filled believer. We can expect the Holy Spirit to help us in our weakness. He prays in and through us to ensure our wills are completely surrendered to the Lord's will for our situation. His power is made perfect in our weakness so that He receives all the glory and praise for answered prayer.

Whether the need is for strength, healing, the salvation of loved ones, or His Church, we have access to power from heaven. The Lord offers to make our hearts pure so we can pray with the expectation and confidence that we have the answer to our prayer.
