# RE- FLECTING GOD

**04/09/24 - Never Say Never**

1 Corinthians 13:8-13

There's a familiar expression, "Never say never" that is sometimes quoted to those who declare that they would "never" engage in a particular activity. Never is such a big, powerful, and finite word. It is five letters that join together to paint a negative perspective toward a particular situation, sometimes serious and sometimes in jest.

When humanity says never, our imperfections sometimes keep us from truly meaning that. However, God's perfection allows Him to keep His "nevers." When God's Word says that His love fails, He means it. There is nothing that anyone, including you, can do to cause God to stop loving you.

As Christ-followers, we are engulfed by that perfect, endless love. Christ desires that we become so caught up in His love that it becomes contagious and spreads like wildfire to those around us.

Is your love for your Savior contagious?

Remember, God's love never fails. Never.
