

Reap The Blessings

Description

2 Corinthians 9:6-15

My grandmother used the King James Version to repeat the truth from Galatians 6:7: “Whatsoever a man soweth, that shall he also reap.” She was teaching me the simple reality that we can plant joy, worry, kindness, grace, or anger; whatever we plant, those seeds will grow into our fruit.

Plants need nurture and care to bloom in their full potential. One seed crucial for Christians to plant is a seed of blessing. We have been given baskets of blessings by the living God and we need to rest in the beauty of those blessings. If blessings are sown, what would that harvest look like? Paul wrote to the Corinthians, “God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work” (2 Corinthians 9:8).

It’s important to know that God not only desires to bless us, but to bless us abundantly. When we are blessed abundantly, not only are we encouraged to share the blessings, we become a blessing.

Look around at the life you live and plant the seed of blessing from the God who gives them abundantly.
