

Keep On Keeping On

Description

Hebrews 1:1-9

"I drink coffee for your safety." "Today, all I need is a little bit of coffee and a whole lot of Jesus."
"Coffee is the most important meal of the day."

Well, you get the idea. For coffee drinkers, a good cup of joe sets the course for a really good day. Coffee connoisseurs understand the sustaining effect of their favorite coffee. It is often considered the fuel of the day for many. We all need something to keep us going. For those who don't drink coffee, there are many praying for you and those around you today!

That's what Jesus does. He keeps us going. He's our motivation, our fuel, our map, and our faithful guide to our forever with Him. According to God's Word, it is Jesus whose powerful word sustains all of creation as a reflection of God's radiance.

Eternity is a long journey. Without God—and sometimes coffee!—we wouldn't make it out the door. However, Jesus is the sustaining source of all we need. We can keep on keeping on because of God's power at work in us.
