

## Faith In The Son

### Description

1 John 5:1-6

What does it mean to be a member of your household? Are people in your family known for being dependable? Hardworking? Honest? Does your family value education? What is your family's code of ethics? While we may not always put these belief systems into writing, they are undoubtedly passed from one generation to the next, either orally or by example.

What does it look like to have faith in the Son? What does it look like to be called a believer? What does it mean to be a child of God? First, we believe Jesus is Christ the Messiah. If we love the Father, by extension we also love His children. We demonstrate our love for His children by loving God and obeying the commandments.

Keeping God's commandments isn't a burden and means we love God. Jesus' victory on the cross over sin and death gives us victory in this present life. Jesus Christ, through a water baptism and by shedding His blood on the cross, reveals himself as the Son of God.
