

Faith in Christ Brings Life

Description

John 14:5-14.

John 14:6! Are you kidding me?! Jesus is the way?! How many times have we heard this antagonistic retort from those on television, social media—you name the form of communication. John 14:6 is at least as popular a phrase as any “intelligent person” can endure. To the world, it’s limiting, selfish, unloving, unkind, and graceless. Yet, it is late 2025, and these words from our Lord still hold true!

They are true in the greatest part because our sinless Lord and Savior Jesus spoke them, but they also ring true because we are all still asking that grand ageless question: How can we know the way? How can we really live?

It is our faith in Jesus Christ that brings life! You know this from your own transformative story! You once asked yourself this question, “How can I know the way?” A camp counselor, a pastor, a co-worker, a Bible in a hotel showed you the way.

Life, real living, has never been the same! Aren’t you glad?
